Just as there may be benefits to the procedure(s) proposed, I also understand that medical and surgical procedures involve risks. These risks include allergic reaction, bleeding, blood clots, infections, adverse side effects of drugs, blindness, and even loss of bodily function or life, as well as risks of transfusion reactions and the transmission of infectious disease, including Hepatitis and Acquired Immune Deficiency Syndrome from the administration of blood and/or blood components. Prophylaxis with antibiotics will be used according to private physicians wishes.

Complications, Unforeseen Conditions; Results: I am aware that in the practice of medicine, other unexpected risks or complication not discussed may occur. I also understand that during the course of the proposed procedure(s) unforeseen conditions may be revealed requiring the performance of additional procedures, and I authorize such procedures to be performed. I further acknowledge that no guarantees or promises have been made to me concerning the results of any procedure or treatment.

Acknowledgments: The available alternatives (see the Hair Transplant Consent Form), the potential benefits and risks of the proposed procedure(s), and the likely result without such treatment have been explained to me. I understand what has been discussed with me as well as the contents of this consent form, and have been given the opportunity to ask questions and have received satisfactory answers.
